Project Title: Dictionaries

Progress Report Final Report

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Dictionaries were ordered for all third grade students in Laguna Beach school district. The dictionaries were individually presented to each student with a Rotarian handshake and introduction between Rotarian and student. Interact students helped with the presentation. All this followed a presentation of who and what the Rotary Club is.

2. How many Rotarians participated in the project? 10 +

3. What did they do? Please give at least two examples.
Rotarians researched and purchased the dictionaries. Interact students placed labels in the dictionaries. Rotarians and Interact students presented the dictionaries.

4. How many non-Rotarians benefited from this project? 250+

5. What are the expected long-term community impacts of the project?
Our club has been doing this for about 6 years. Every year we hear about the excitement and thrill of the students and teachers who were recipients of the dictionaries.

6. If a cooperating organization was involved, what was its role?
Each of the schools "allowed" us valuable school time to introduce the concept of Rotary to their students and present these dictionaries individually to their students. This is a win-win community project.
