Grant Information (to be completed by District Grant contact)

1. District Grant # **P-1005**
2. Name of District **Grant Dictionary Project**
3. Briefly describe the grant and list any changes that might have occurred (100 words or less).

We purchased and distributed dictionaries, both English and Spanish/English, to third grade students in the Poway Unified School District as well as distributing Thesaurus to fourth grade students. We also made arrangements with another Rotary Club in District 5340 to match their dictionaries they ship to Philippians, thus providing a bigger impact to the very poor villages of that country.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

The complete participation of Club members is an essential reward for this project. No other project brings the full membership together like this one. We gather for the labeling party at one of the Rotarians home which includes both working and fellowship. From there we develop teams who go out to the schools for distribution. All schools we deliver to warmly receive the dictionaries and we have develop strong relationships with the schools and community through the years.

It would be difficult to articulate a project that has the impact that the dictionary project has. The Club is enhanced, the members become closer for a common cause, the kids benefit, and the local community is better for it. Almost 6000 kids were touched and that does not include the parents and family members.
