3. Briefly describe the grant and list any changes that might have occurred (100 words or less)

The Rotary Club of Chula Vista's International Projects Committee will provide books and educational resources for a library serving a disproportionate share of underprivileged children in Tijuana, Mexico. The Club will provide at least 100 children's books selected by the library to be available to children in the equivalent of grades K-3, attending schools serving low-income students. Beyond books the Chula Vista Rotary Club may also purchase additional educational resources. No changes have occurred.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded project.

This program has been very well-received by Rotarians in Tijuana and by Tijuana community leaders. The biggest challenge is that we do not complete this grant until late Spring/early Summer due to the Tijuana library's needs. This is a challenge because grant information is due to the district by April 1. Otherwise, this was a very successful and seamless project!
