Project Title: Habitat for Humanity Build

Project Number: P-1012

	Final Report
--	---------------------

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Project was to assist Habitat for Humanity in the building of a home for a single father with 2 children. The construction started in September in Wichita Falls, Texas in a neighborhood that has been in a state of deterioration. The block that the home is located was completely vacant as previous homes were demolished due to poor condition. Habitat is working to build homes within the block to assist in revitalization of the neighborhood. The father grew up on this street.

2. How many Rotarians participated in the project? 12

3. What did they do? Please give at least two examples.

In October Rotarians assisted in the framing of the home as well as cleaning brush and debris from the lot. In January, we again assisted by hanging sheetrock in the home

4. How many non-Rotarians benefited from this project? 3

5. What are the expected long-term community impacts of the project?

A safe home for the family, but long term the redevelopment of this neighborhood

6. If a cooperating organization was involved, what was its role?

Habitat for Humanity is the "general contractor".
