Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? Three Shelter Boxes were purchased using a matching grant. After the funds were sent to Shelter Box, we are no longer involved in the distribution of the Shelter Boxes.

2. How many Rotarians participated in the project? None

3. What did they do? Please give at least two examples.

This was a checkbook project. Other than approval by our Board of Directors, there was no direct "hands on".

4. How many non-Rotarians benefited from this project? Unknown

5. What are the expected long-term community impacts of the project?

Participation of our club in any international project is good for our club and its members. Otherwise, our community received no direct benefit.

6. If a cooperating organization was involved, what was its role?

Shelter Box administers its program internationally. Additionally, two additional Shelter Boxes were purchased by the Lewisville Education Foundation utilizing funds raised by the sale of art at our Fall Neon 5k Event. The art was provided by students of the Lewisville Independent School District.
