Must be filed electronically on: <http://www.matchinggrants.org/district/>

Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #): P-1032
2. Name of District Grant: LEAD
3. Briefly describe the grant and list any changes that might have occurred (100 words or less):

Purchase equipment to enhance the LEAD program for 8th grade students.

We re-evaluated the needs of LEAD and concluded that a trailer, while convenient, would require a pretty significant monthly cost for storage. We looked for other pressing needs. We concluded that bringing our own AV equipment would greatly enhance the experience, give us the ability to improve the quality of the program, and further enrich the lives of the students we serve each year. So, we purchased the following equipment: 4 speakers; 4 speaker stands; 4 wireless speaker systems; 2 wireless microphones; 1 mixing board; cables for all of the above.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded project:

Now that we are aware of the accelerated spending and reporting requirements (it is really an eight month process from award to close), it will make our project implementation less hectic.
