Rotary Club: Denton Rotary Club

Project Title: Community Playground

Project Number: P-1036

## Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? Eureka Park II is a volunteer/donor built park in the City of Denton. Volunteers helped remove old playground equipment and install new equipment and making it more accessible to children with special needs. Volunteers helped with the demolition in October of 2015 and in the construction in November 2015. Final touches were not put in place until Spring of 2016 and the Park had its grand opening April 16, 2016.

2. How many Rotarians participated in the project? Unsure

3. What did they do? Please give at least two examples.

We did not keep good sign up sheets for those that volunteered. The volunteers were coordinated by the Denton Parks and Recreation Dept. We did have members of our club volunteer. They helped tear out the old playground equipment and install new pieces of equipment.

4. How many non-Rotarians benefited from this project? The City of Denton

5. What are the expected long-term community impacts of the project?

This is a safe place for kids to play outside on exciting new playground equipment. Our club sponsored a challenge bridge as our piece of equipment.

6. If a cooperating organization was involved, what was its role?

N/A
