Penny,

Just a quick thank you for the invite to your party this past Friday night, the food was delicious ,setting gorgeo and meeting the members of the Rotary was awesome. I can't tell how much your donation will mean to both of my schools. I've been with this program for the past 16 years and I absolutely love my job, the down side is that we've the financial support from the state which only leaves our individual sites to fund our programs. It takes about \$36,000.00 per year with supplies to run the Kidco program. We are now running on empty with supplies unless of course we get donation or fund raise. I believe our new partnership will be a great venture for all involved especially all students we will be able to service with your support. Thank you again for your time and support.
