Rotary Club: Fort Worth East

Project Title: Scholarship Program with FWISD HSs Project Number: \_\_\_\_\_

## **Project Description**

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Three \$1,500 scholarships were awarded to graduating seniors to pursue the Associate's degree at Tarrant County College. Students were recruited with the help of the principals and staffs at Polytechnic, Dunbar and Wyatt high schools. Approximately 15 students participated in initial interviews. Six (two from each school) were selected for finalist interviews, which were held on April 27, 2016. Three scholars were named and they participated in Fort Worth East Scholars Orientation with TCC faculty and staff as well as their assigned Club mentors on Wednesday, May 18, 2016.

2. How many Rotarians participated in the project? 13

3. What did they do? Please give at least two examples.

Club members participated in the setup of the agreement with TCC, the development and review of applications, semifinalists and finalist interview, planning and execution of the scholars' orientation, and assigning and serving as mentors.

4. How many non-Rotarians benefited from this project? 25

5. What are the expected long-term community impacts of the project?

\* These three scholars will be eligible for and \$1,500 scholarship through the TCC Foundation in their second year

\* These scholars will benefit from tremendous savings toward college tuition, reducing their need to get into debt in the first two years of the baccalaureate degree.

\* These scholars and their families stand to benefit from the increased earning potential that earning an Associate's degree affords the average TCC graduate to more than double their family income from \$17,000 to \$40,000/year.

6. If a cooperating organization was involved, what was its role?

The Tarrant County College Foundation is the cooperating partner on this project. They will secure the funding necessary to match our support for these scholars in their second year at TCC.
