The Solana Beach Eco Rotary Club designed this Youth Grant to enabled us to send two students each to LEAD/Model UN and RYLA for the first time. A cost reduction is noted due to there being no charge for Facilitators and Advisors to these programs this year.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

We are a relatively new club with about half our members being new to Rotary. This grant allowed them to see how Rotary matching grants work and how we are able to help the students in our communities. We had 1 advisor to LEAD, 1 advisor to Model UN and 3 facilitors to RYLA and we sponsored a new school, CAL Cost Academy, to Model UN. Their Director has already asked to participate again next year. This project has generated so much enthusiasm among our members that we are already planning our next grant requests.
