2. Name of District Grant - Youth services and community support \_\_\_\_\_
3. Briefly describe the grant and list any changes that might have occurred (100 words or less. The grant provided funding for seven separate projects of San Diego North Rotary. We fully funded our commitment to military support through donations to Honor Flight San Diego and the Miramar Rotary Foundation for their sword fund. Our Fun Run for elementary students was a huge success with over 800 runners and we used most of the money allocated to this project. We also helped our Interact club with donations to their projects and Thousand Smiles. Finally, we provided dictionaries to four elementary schools and financially assisted four Cub Scout packs.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: Our only disappointment was that we were unable to find students to attend RYLA. This was due to a number of factors, but we need to improve communications with both high schools to ensure future success.
