Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #): P-1066
2. Name of District Grant: Rotary Model UN Program
3. Briefly describe the grant and list any changes that might have occurred (100 words or less).

We provided the \$750 registration fee for the Sonora, Mexico team and for the Costa Rica team to attend the 2016 Rotary Model UN Conference on April 9-10, 2016. Please see my 3/18/16 letter already posted to the District Matching Grants site.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

We were very impressed with the performances of both the Costa Rica and Mexico teams. The rest of the students really love meeting and making friends with students from other countries. The addition of the Costa Rica team this year has fueled enthusiasm among a growing number of US and Central American Rotarians to bring 2-4 Central American teams to our 2017 Rotary Model UN Conference! We would greatly appreciate the opportunity to apply for another DDF grant for the 2016-17 year to help facilitate these additional Central American teams participating in our MUN next year.

5. How has your Club or community been impacted by this grant?  
(Check all that apply)

Involvement of Rotarians in our Club in humanitarian grants has increased.

Our Club's international Rotary networks have been strengthened.

Annual giving to the Rotary Foundation in our Club has increased.

Club membership has increased.

Our Club's awareness of the needs in our community has increased.

Participation in a District Grant has not changed our Club in any significant way

Others: Two of our club members volunteered to be MUN advisors for our 2 CCA MUN teams this year. We also had a number of other club members attend the MUN banquet. I also spoke with many other business colleagues and community members whom I invited to attend/observe our MUN Conference about Rotary youth programs and potential membership in our club.

6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them.

Everything was very smooth. Thank you very much!
