Dear Rae,

Thank you for your donation of 50 Easter baskets in support of Friendly Center's annual Spring Fun Day! Donations from you and other generous supporters allowed us to provide 1,094 baskets filled with toys, hygiene items and sweet treats. The children who were given baskets came from families that could not otherwise afford something special like this, and they were truly overjoyed to receive them.

Each event, in Orange and Placentia, was filled with crafts, activities, food and your generously donated baskets. Donors like you make our continued work in the community possible, and we are grateful for your support!

Thanks again for being a part of this fun day and touching the lives of many children. We couldn't do it without you!

Sincerely,

Cathy Seelig  
Executive Director

Fed Tax ID #95-2479833

*Note: No goods or services were given in exchange for this donation*
