DISTRICT GRANT APPLICATION DISTRICT 5440

(TRF MISSION RELATED) Effective May 1, 2015

GRANT APPLICATION INSTRUCTIONS

Only clubs that have submitted a district grant planning form by May 15, 2015 and received notification of preliminary approval may submit an application.

- 1. This is the name of the club applying for the grant.
- 2. **Do not** provide the extensive background of the need. Describe what you are going to do, where you are going to do it and the objectives of the project. Be sure to indicate the anticipated start and stop date of the project.
- 3. Show the community need and how the project meets this need. Indicate how many people will benefit from this project.
- 4. All grants require "hands on" involvement whether local or international. Describe the activities of both your club members and of Rotarians in any other club who may be involved. BE SPECIFIC.
- 5. Public relations efforts are required.
- 6. This person is required to submit all required reports, to monitor progress and insure completion of the project. All requirements for record keeping and money management must be met.
- 7 These sections pertain only to international projects. The "hands on" and Final Report by the Primary Contact requirements remain in effect
- 8. If the person managing the project is different from the person in item 6, please provide their contact information.
- 9. Only applicable if using a Cooperating Organization. Be sure to submit the letter of participation with the application.
- 10. Be as accurate as possible. Retain copies of any bids or preliminary invoices secured at this time.
- 11. Accurately show how the project will be funded. Totals in #10 and #11 **must be the same.** The maximum that can be requested from the District is \$4,000.

12. Signatures on last page must be from three different people in the club plus the district grants committee member assigned to the project. All three of the people in the club should be involved, aware and willing to accept responsibility for supervision, record keeping and preparation of the Final Report if needed. The signature of the district grants committee member signifies that the application has been reviewed and meets all of the district grant guidelines.

Applications will be accepted on a first-come, first-serve basis.

A Final Report must be submitted within 30 days of the completion of the project, with an Interim Report due on the 12 month anniversary of the grant. Grant report forms are available on the District Website. Reports must be accompanied with receipts and other documentation to verify proper expenditures.

Submit the application to your district grants committee member who will then approve it and send it on to the district grants chair.

DISTRICT 5440 **District GRANT APPLICATION**

(modified May 21, 2014)

Our Mission:

... to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

(Endorsed by the Council on Legislation, April 2007)

Please print or type all information

1. ROTARY CLUB of Fort Collins Foothills 2. Briefly describe the project, its location, and its objectives. Install a drip watering system and a landscape design that will be used as an education and "fun" opportunity the children using the Teaching Tree Early Education Center, 424 Pine Street, Fort Collins, Colorado 80524. T landscape design will minimize water use and will be consistent with xeriscaping concepts. August 1, 2015 Start Date (Cannot commence before grant is approved!) September 1, 2015 Estimated Completion Date 3. Describe how the project will benefit the community and/or improve the lives of the less fortunate. Also indicate the number of people that will benefit by this project. Approximately 200 children annually will access the "garden" that will be designed to attract butterflies, Hummingbirds and assorted other birds and insects providing a "nature walk" area for the children. Many of Teaching Tree children come from low income families that access reduced fee or subsidized childcare. 4. Describe the nonfinancial participation by sponsoring Club Rotarians in the project (i.e., How many Rotarians will be involved and what will they do?). Approximately 20 Rotarians, and possibly family members, will prepare the ground, install the plants and spreathematics. The project will take 8 hours or approximately 160 "Rotarian Hours". 5. Are other Rotarians, either local or international, going to be involved in the project? No How? 6. How will the general public know this is a Rotary-sponsored project? Please provide details of the publicity plan. The project will be promoted in the Teaching Tree and the United Way of Larimer County newsletters, a "Thumps Up" will be published in the Fort Collins Coloradoan and a sign with a Rotary Logo will be place at t garden. 7.
