Subject: Very sad news

Ron, John and Mike

Perhaps you know already.

Manolo Herrero and his wife Cristina were killed last Saturday December 6th around 8.15 pm. They were driving home returning from his mother's 95 birthday party, in a red light right in front of the supermarket Bodega Aurrera in Tehuacan, when 2 gunmen approached and shot them 8 times.

We are very sad and their 2 daughters and son are devastated.

Manolo will always be in our hearths, he was our great leader and friend.

Rest in peace.
