1. ROTARY CLUB of Lander Wyoming

2. Briefly describe the project, its location, and its objectives.

These funds would be used to replace three Rotary emblem signs and additional trail signage along a walking and biking trail in Lander; assist with providing signage along the extended trail system; and add up to two benches. The objective is to ensure the trails in Lander are user-friendly and that existing signage remains something worthy of the Rotary name.

The approximate 8,000 people who make Lander home and the thousands of visitors to the area will benefit from having a user-friendly trail system. Additionally, it is essential that we maintain the appearance of our Rotary emblem on service projects.

4. Describe the nonfinancial participation by sponsoring Club Rotarians in the project (i.e., How many Rotarians will be involved and what will they do?).

The Rotary Club of Lander will arrange for a volunteer work crew of 15-20 Rotarians to assist with the installation of replacement signage, the benches and new signage. Rotarians will also work with city personnel to acquire the signs and benches.
