Subject: Re: El Jurgallón School

Hello John

The cost for the kitchen: Q. 10,000.00
and the cost for the wall is Q. 38,000.00

The wall must be reinforced with good columns and beams to support the weight of the land and prevent damage to school.

Regards,
Verónica

Do you know how much of the cost is for the kitchen and how much is for the wall?

La escuela el Jurgallón no tiene cocina

La escuela el Jurgallón solicitó la construcción de la cocina y la reparación de la pared.
