Hello Dr. Wilks:

I just want to take this opportunity again to Thank You and our generous friends of the North Peoria Rotary Club! Your club's kindness made it possible to treat 65 of our homeless families to a family backpack.

The photos show that we were able to fill each bag with wonderful activities that will give our folks an opportunity to play games, do arts and crafts, and learn together! These are families that are struggling, and as you can see by the samples of responses they gave on the accompanying evaluations, they were very appreciative and excited.

We appreciate so much the generous opportunity your club awarded us this year!

Kindest Regards;

Sean G. Schubert

The games will promote team activities and individual thought process. Art is a very strong passion for both children and building clay is their favorite.

Both children enjoy colors and painting at different times

A lot of smiles and competition will come from this backpack

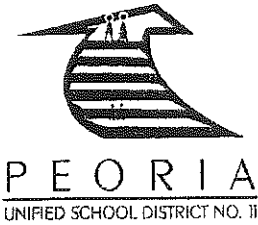

Thank you!
God Bless ☺

We truly appreciate your help. As we struggle to get back on our feet, your supplies will help to offset costs. In addition the reading material will be useful in English and Literature classes. The backpacks are wonderful as well. I really appreciate all of your help.
