Wasilla Noon Rotary Club
P.O. Box
Wasilla, AK 99654

Dear Rotary Members,

The Matsu Sertoma Club would like to thank the Wasilla (Noon) Rotary Club for their support of our base-line hearing screening program. The new hearing screening booth you provided will dramatically increase our ability to take the screenings to the community. Enabling Matsu Sertoma in our mobile hearing unit to more efficiently deliver free hearing screenings to more than 90,000 members in over 24 cities of the Mat-Su community (an area the size of New Jersey).

Matsu Sertoma will endeavor to collaboratively work with all local hearing health specialists, doctors and agencies, drawing attention to the rising problem of noise-induced hearing loss due to recreational exposure to loud sounds. Specifically among young people 12-34 years in the low- to middle-income families.

Your help in our undertakings to educate and provide free base-line hearing screenings to our community has gone far beyond what words can convey. All we can say is "thank you" for helping us realize our vision...hearing health in the Matsu.

Sincerely,

Jean Stanefski

Jean Stanefski, President
Mat-Su Sertoma Club
