To Whom It May Concern:

As the supervisor of the Magnolia Park Family Resource Center (MPFRC), 11402 Magnolia St., Garden Grove, I would like to express the Center's strong support for the Garden Grove Rotary Club's grant application to purchase food and supplies to stock our Emergency In-House Pantry. Grant funds will be used to purchase non-perishable food items (e.g., canned food), diapers, baby supplies and personal hygiene items, between August 1, 2016 and May 15, 2017. These items will be distributed from our Center to individuals and families in the Garden Grove community who are suffering from stress due to housing and job displacement, domestic emergencies and other crisis situations.

Staff at the MPFRC, will work with the Garden Grove Rotary Club to develop needs lists and provide assistance related to stocking the pantry. Special distribution events may also be conducted. Photos will be taken to document both the Rotary Club's and the MPFRC's involvement in the project. This grant will allow the MPFRC to continue its successful partnership with the Garden Grove Rotary Club to meet important needs in our community.

Please contact me if you have any questions.

Sincerely,

Janet Pelayo
Community Services Manager
City of Garden Grove
