Project Title: Rotary Nature Barn Signage

Progress report Final report

Project Description

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

In 1986, the Kearney Noon Rotary Club raised funds to build what is now known as the Rotary Nature Barn and is visited by families during the summer months. (Memorial Day through Labor Day) There is no admission to enjoy the nature barn. In 2015, we added a clover leaf sandbox with corn kernels in place of the sand – it is handicap accessible. Now in 2017, we have added some professional signage recognizing it as the "Rotary Nature Barn." We also have an added an outdoor bulletin board for information to be posted. A small animal cage was also purchased to be housed inside the barn.

The Rotary Nature Barn will open the end of May 2017 for the summer season. It is open Tuesday through Sunday, 10:00 a.m. - 6:00 p.m. Memorial Weekend through Labor Day Weekend.

2. How many people benefited from this project? 3000 visit the Rotary Nature Barn every summer

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

Those attending the Rotary Nature Barn will be reminded of the service our local Rotary Club has done by the signage recognizing the barn as the Rotary Nature Barn. The bulletin board will be useful in listing information for the public involving Kearney's Park and Recreation Department. The small animal cage will allow children and adults alike to enjoy more animals at the nature barn.

4. How many Rotarians participated in the project? committee - 5

5. What did they do? Please give at least two examples, not including financial support provided to the project.

The committee selected which items to purchase with those suggested by the Kearney Park and Recreation Department. We then shared the selections with the members of our club.

6. If a cooperating organization was involved, what was its role?

The Kearney Park and Recreation Department ordered the sign, small animal cage, and the bulletin board for us and installed the new items.
