Project Title: Dictionaries for 3rd Graders

Progress Report     Final Report

**Project Description**

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Dictionaries were distributed to all 3rd graders in 24 elementary schools within the Peoria Unified School District (PUSD). Dictionary distribution was performed by individuals or pairs of Rotarians directly to the students and was completed by Dec 9, 2016. Both the 3rd grade students and their families benefit from this project.

2. How many Rotarians participated in the project?      Approx 45

3. What did they do? Please give at least two examples.

All of the dictionaries had adhesive labels applied to them by Rotarians. These labels identified the books as being donated by a specific Rotary Club, and also included the 4-Way Test. Rotarians also were directly involved in distributing the dictionaries to all of the 3rd Graders.

4. How many non-Rotarians benefited from this project?    2,023+

5. What are the expected long-term community impacts of the project?

Improved literacy, and all of the associated benefits.  
Continued cooperation between Rotary and PUSD.

6. If a cooperating organization was involved, what was its role?

"The Dictionary Project" was the source for the dictionaries.
