**Project Description**

Cargo Trailer was sourced and purchased by Rotary and Northern Arizona Recovery Assn. (NARA). Trailer was delivered upon receipt of funds from NARA.

2. How many Rotarians participated in the project? 72

3. What did they do? Please give at least two examples.

Provided funding for the project.

Provided potential projects to complete with use of trailer.

4. How many non-Rotarians benefited from this project? 150

5. What are the expected long-term community impacts of the project?

NARA is a conglomerate of 8 separate treatment facilities that have a component of community service for their respective programs. In the past they have struggled with productive community service. This project should spur on more fulfilling and productive community projects.

6. If a cooperating organization was involved, what was its role?

NARA was the vested co-partner on the project and provided half of the funds in order to have a stakeholder status.
