**Brief Project Description:**

Our club will arrange field trips to Sea Base in Newport Beach for second or third grade students from four 4 Santa Ana Schools. The estimated total students will be about 275 in addition to teachers, chaperons and Rotarians, about 40. We estimate that 4-6 Rotarians will participate in each field trip to assist with all aspects of the field trip. We had praise from students and teachers regarding this trip in the past two years, Projects p-571 and p-913. The costs include fees of \$17 per student and transportation to Sea Base facility.
