What to bring: Please make sure that all participating youth and teacher/adult chaperones have signed waivers to be brought to the Newport Sea Base the day of your activity; you will not be admitted to event without your signed waiver! Lunches should be placed in bins where they can be stored in our office or in the cubbie storage area, and should not require refrigeration.

Parking: Buses may pull into the parking lot to unload students to avoid blocking traffic or may park on the street in front of the Newport Sea Base. Teachers will walk their students in a single file line along the sidewalk to the main staircase in front of the Newport Sea Base (right in front of the parking lot). A staff will meet you at the staircase and give you further instructions for your field trip.
