Re Rotary Contribution

Dear Betty:

Enclosed is our check for \$12,000 to be used to purchase pediatric equipment for the Children's Hospital in Tijuana. This will be followed by an additional check for \$3,000. We are not sure of the timing for this \$3,000 amount but it has been approved and the funds have been obligated.

We are also enclosing the list of items we understand will be purchased with these funds together with the matched funds from Price. We are required to receive copies of invoices evidencing the purchases and digital photographs. We look forward to receipt of these in due course. We understand there may be some variation from the prices originally quoted.

Please advise regarding parameters for the recognition wording to be provided on the Doctor's Lounge. We do have some suggestions but would like to learn more about what parameters that may exist.

Sincerely,

A handwritten signature in cursive script, appearing to read "Stephen R. Brown".
