**Rotary Foundation District Grant Final Report**

Deadline for submission: April 1, 2013

Must be filed electronically on: <http://www.matchinggrants.org/district/>

Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #) P-130
2. Name of District Grant Pediatric surgical equipment

Briefly describe the grant and list any changes that might have occurred (100 words or less):

The surgical expertise already exists, and the facility – the new Pediatric Ambulatory Surgery Center at the Tijuana Children’s Hospital -- is completed. What was lacking: The specific equipment to perform a few common pediatric surgeries.

1. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

The lesson learned was administrative: A Rotary Scholar’s reporting and subsequent international District approvals were late, causing that global grant reporting to be delayed, which then caused this grant to be delayed.

2. How has your Club or community been impacted by this grant?

(Check all that apply)

Involvement of Rotarians in our Club in humanitarian grants has increased.

Our Club’s international Rotary networks have been strengthened.

Annual giving to the Rotary Foundation in our Club has increased.

Club membership has increased.

Our Club’s awareness of the needs in our community has increased.

Participation in a District Grant has not changed our Club in any significant way.

Others: We’ve further strengthened a powerful bi-national service agency, to the benefit of the region’s children.

3. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them.

It’s been a painless and effective process. Thank you.
