Hello, I am contacting you from the United States to inquire about pricing for a 20' container modified to serve as library for the Nyamphande Orphanage and School outside Lusaka. I am working on a Rotary Grant to purchase and transport a container that will house books and other learning aids. Can you give me an approximate price? Do you provide modification and transport?

Dominion Container Sales & Smarter Solutions

Yes we do.

Dominion Container Sales & Smarter Solutions

The price for the 20 Foot Container is K25000. The container conversion to A Library, with 2 windows a Door and Shelves will cost approximately K15000. Thanks..

You may email dominionindustries@gmail.com or call 0977111544, 0955775725.
