2. Name of District Grant: Nyamphande Library Project
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less.  
The project was to purchase a shipping container, have the container moved to the orphanage site, have the container converted into a library building by having it placed on a concrete pad and having ventilation and shelving and windows added, purchase and having a vinyl Rotary logo placed on the structure, and purchase and having textbooks stocked. Also the project is to include interaction between the recipients and Club members.
4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there?  
535 Nyamphande students and their teachers and leaders
5. How many Rotarians participated in the project? 25 Briefly tell what did.  
Rotarian committee members contacted and planned the project with the recipients, interacted with recipients to purchase project supplies and required services, obtained proof of use of funds, and obtained pictures and correspondence showing the completed project. Board members reviewed and approved the project and funding and provided oversight. Club members corresponded with children and adults involved in and benefited by the project. Rotarians for the Rotary Club of Maluba helped coordinate concrete slab, Rotary decal, and dedication of the library.
6. If a cooperating organization(s) other than the beneficiary was involved, what was its role?  
Nyamphande Orphanage and Community School represented by Bishop John Mambo and community resident Tanda Makai were involved. Their role was to purchase supplies and contract necessary services, disburse the funds in payment, provide receipts for payments to the Club, oversee the project on site, and report the progress and completion of the project to the Club.
