1. District Grant # (check website for #) P-132
2. Name of District: Grant Dictionary Project
3. Briefly describe the grant and list any changes that might have occurred (100 words or less. The funds from the grant went toward the purchase of Dictionaries for grade school students. A Portion was to cover dictionaries for students in the Poway Unified School District and a portion went toward children on the island of Truk located in Micronesia.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: The implementation of this grant went smoothly. We utilized the resources of Rotary Clubs on Guam to coordinate the Micronesia distribution. All the Rotary Clubs involved were very supportive and provided the needed assistance.

5. How has your Club or community been impacted by this grant?
(Check all that apply)

X Involvement of Rotarians in our Club in humanitarian grants has increased.

X Our Club's international Rotary networks have been strengthened.

X Annual giving to the Rotary Foundation in our Club has increased.

Club membership has increased.

X Our Club's awareness of the needs in our community has increased.

Participation in a District Grant has not changed our Club in any significant way

X Others: Having our members more involved with "hands on" type of giving rather than just writing a check enhances the Rotarian experience and offers further opportunity for engagement.

6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them. As the initiator of the grant I found the process to be very user friendly and was processed expeditiously. My only fault is last year I could not figure out how to close out the Grant, there were no instructions to follow after submitting the "Grant Final Report". I hope this year will be easier.
