Thank you for your generous grant contribution of \$6,250 to the Treasure Valley Family YMCA's *Make a Splash* program. This program taught valuable swimming and leadership skills to 94 third grade students from Whittier Elementary.

Many of the students participating do not have access to learning these skills through any other means. Skills such as treading water and simple floating techniques will help lower rates of unintentional childhood drowning. An added benefit of the program is improved school performance through confidence and leadership skill building. Teachers have noted improved focus and behavior and higher levels of classroom productivity for their students who participate in *Make a Splash*.

Costs for transportation, lessons and instruction time were \$67 per child.

Total costs: 94 children x \$67/child =	\$6,298
Rotary Grant:	\$6,250
Difference:	\$ (48)

We appreciate the support of Rotary Club of Boise - Southwest. Together, we are making a difference in the lives of our community.

Sincerely,

Carrie Magnuson
