Dear Friends:

Habitat for Humanity, Wind River Country is in receipt of your program support check (#6233 for \$5000) which has been designated to pay for the heating unit for Build #18. We want to thank you so very much for your continued support of the Habitat effort here in Fremont County.

Every grant dollar received by this organization goes directly to purchase building materials and supplies for the construction of low income, high energy efficient housing for people in our community.

Habitat for Humanity, Wind River Country is a 501(c)(3) non-profit organization as designated by the Internal Revenue Service. No goods or services were received in exchange for this donation.

Sincerely,

Glen D. Mitchell, Executive Director
