Dear President Jackson,

On behalf of the National City Police Department, I would like to thank you for your generous donation of school supplies for the elementary schools within the City of National City. Through your generous donations each year, you assist in the advancement of our local children in their education by providing basic materials needed to complete class work.

Each year the National City Police Department continues to advance its mission of giving back to the community by providing what we can in time of hardship to members of our community. Through these programs, we have seen many lives changed for the better and it would not be accomplished without your generous assistance. The goal of the National City Police Department is to continue to make a difference in the community. With the help of donations from caring organization such as the National City Rotary Club, we will continue to see improvements.

Thank you again for your generous support, commitment and dedication to our community.

Sincerely,

Adolfo Gonzales, Ed. D
Chief of Police
