Brief Project Description:

Identifying homes and families eligible for connection to water, hand washing facilities and installation of septic tanks and toilets to provide improved sanitation and reduce risk of disease while improving child health and basic hygiene understanding.

1. Project Start and Ending Dates:
(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

Initiate project at start of Rotary year, July 2016; End: June 15, 2017

2. Project Location: Community International
(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)

The project is both community and international in nature: a) Community in that the project is in conjunction with Corazon based in Santa Ana, CA. Corazone implements the family situation review, planning of the project and approval of families to receive project support. b) International in that the projects are implemented in Tecate area of Mexico, near Tijuana, under the leadership of Rotarians from 5320 clubs who volunteer their time to conduct installation, water connections and other actions, under the leadership of the local Corazon managers.

3. Project Budget:

(Attach a complete project budget. List all revenues and expenses. These amounts MUST balance.

If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)

Planned Project Budget for sanitation and water related projects:

backhoe and water \$2400.00

sanitary slabs and PVC \$1000.00

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

Club(s) Contribution	District DDF	Total
\$ <input type="text" value="0.00"/>	\$ <input type="text" value="10500.00"/>	\$ <input type="text" value="21000.00"/>

5. Participating Clubs:

(If other clubs will be participating in this project, list each club and its contribution.)

Long Beach Rotary Club	\$	10000.00
Yorba Linda Sunrise	\$	500.00
	\$	

6. Other Support:

(What other in-kind contributions, discounts or financial support are you getting for the project?)

Plumbing and installation is provided by Rotary volunteers on site. Rotarians will be from the LBRC, YLSRC and any others volunteering to assist.

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

Corazon, based in Sana Ana estimates that more than 51% of Mexicans live in poverty with insufficient resources to provide basic living needs including housing, water supply and sanitation. Corazon therefore supports the building of communities by

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

Upwards of 6 Rotarians from YLSRC and upwards of 10 Rotarians from the LBRC will participate and be involved in the actual plumbing installation of the projects.

9. Who are the Beneficiaries:

(Who are you serving and how?)

Families living in poverty conditions in the Tecate area, who have demonstrated a commitment to working within their community for the betterment of the community. These families, and especially the children will be better educated in basic hygiene, experience the impact of better sanitation (septic systems instead of pits) and reduction in risk of disease.
