**Brief Project Description:**

Over the past 21/2 years, the Newport-Irvine Rotary Club has sponsored a monthly Back Bay Clean-Up program. Our volunteers (including Rotaractors and Interactors) have used kayaks donated by the Newport Aquatic Center to collect over 7 tons of trash from the Newport Beach Back Bay. We recently recieved funding to purchase twenty new kayaks for this program, and we are seeking funds for kayak racks and supplies to support this program.

**1. Project Start and Ending Dates:**

*(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)*

The kayak racks will be built in August 2016. The supplies will be used at our monthly clean-ups during 2016-17.

**2. Project Location:**  Community  International

*(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)*

The project is hosted at the Newport Aquatic Center in Newport Beach.

## District Grant Application

**3. Project Budget:**

*(Attach a complete project budget. List all revenues and expenses. These amounts MUST balance.*

*If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)*

See attached budgets for each kayak rack and monthly supplies.

**4. Grant Funding:**

*(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)*

Club(s) Contribution	District DDF	Total
\$ 1516.58	\$ 1516.58	\$ 3033.16

**5. Participating Clubs:**

*(If other clubs will be participating in this project, list each club and its contribution.)*

	\$	

**6. Other Support:**

*(What other in-kind contributions, discounts or financial support are you getting for the project?)*

20 kayaks will be provided by the ewport Beach Back Bay Conservancy

**7. Other Involvement:** *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

Newport Aquatic Center, Back Bay Conservancy (see letters of support)

**8. Club Participation:**

*(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)*

5-10 NIRC Rotarians will help in the construction of the racks. 5-15 Rotarians and UCI Rotaractors participate in the monthly clean-up.

**9. Who are the Beneficiaries:**

*(Who are you serving and how?)*

Interactors and Rotaractors are educated in water safety, the pollution problem in the Back Bay and are offered valuable team-building opportunities. The Newport Beach community benefits by having a cleaner Back Bay and Newport Harbor.

**10. Lasting impacts on the community:**

Awareness of the pollution problem. Cleaner Back Bay and Harbor.

**11. Rotary Area of Focus:** *(check all that apply)*

- Peace and Conflict Resolution
- Disease Prevention and Treatment
- Water and Sanitation
- Maternal and Child Health
- Basic Education and Literacy
- Economic and Community Development

**12. Funds Stewardship:**

*(Describe how funds will be safeguarded and tracked. If funds are to be distributed to an international partner for purchase/use in another country, who will be responsible for the funds? How will transfers of funds to international partners be handled?)*

A detailed accountancy of expenditures will be proved as funds are spent. Bill Zeller will oversee the fund expenditures.
