

NEWPORT AQUATIC CENTER
CALIFORNIA, USA

To Whom it may concern,

June 13, 2016

I am pleased to write this letter of support for the Newport-Irvine Rotary Club's application for a District Grant. The funds for this grant will be used to construct 2 new kayak racks for the 20 kayaks that were recently awarded to the Newport Beach Back Bay Conservancy. These kayaks will be used by the N-I Rotary Club for their monthly Back Bay Clean-Up program. In addition, the Club has offered to build two new kayak racks for the Newport Aquatic Center (NAC). The current racks need to be replaced, and we greatly appreciate the funds and volunteer labor that will be donated for this project.

NAC has had a very positive partnership with the Newport-Irvine Rotary Club over the past two years in support of the Back Bay Clean-Up Program. The program will be greatly enhanced by the addition of these new kayaks and the kayak racks.

Please feel free to contact me if you have any questions.
