To Whom It May Concern:

### Nonprofit Status

The ABC Unified School District is a public agency established by the California Constitution as a subdivision of the State. Like all public agencies, the ABC Unified School District is a nonprofit agency. This is to certify that ABC Unified School District (Tax ID No. 95-2380644) falls under IRS Code Chapter 3 – Section 501(c) (3) Organizations (Charitable, Religious, Educational, Scientific, Etc.), which provides School Districts and Educational Organizations in exemption from filing income tax returns.

The functions of California school districts are determined by the State legislature and appear in the California Education Code.

Unlike private nonprofit organizations, a California school district is not required to have a charter, articles of incorporation, bylaws or other legal documents to verify its nonprofit status, since a public education agency is by definition a nonprofit agency.

Sincerely,

Toan Nguyen
