INFORMATION REGARDING YOUR ACCOUNT

Capitalized terms in this statement that are not otherwise defined refer to and have the same meaning as terms used in your Cardholder Agreement.

How Interest Is Computed: We calculate the Interest Charge on your Account by multiplying the Average Daily Balance (including new transactions) by the daily periodic rate. Then, we multiply that result by the number of days in the billing cycle. We do this separately for each type of balance: Cabela's Purchases (i.e., those made at Cabela's stores, Cabela's catalogs, or online at www.cabelas.com), Purchases other than Cabela's Purchases ("Other Purchases"), Balance Transfers, Cash Advances, and promotional balances. To determine the total Interest Charge for the billing cycle, we add up all the Interest Charges for each type of balance.

Average Daily Balance and Daily Periodic Rate: The Balance Subject to Interest Rate shown in the Interest Charge Calculation table is your Average Daily Balance during the billing cycle for each type of balance. To calculate an Average Daily Balance, for each day of the billing cycle we take (1) your beginning balance; (2) add any new transactions, interest charges, fees and other charges (as applicable); and (3) subtract any payments or other credits to get that day's daily balance. The daily balance is considered to be \$0.00 for any day on which the Account has a credit balance. We add all your daily balances and divide the total by the number of days in the billing cycle to get the Average Daily Balance. To calculate a daily periodic rate, we divide the annual percentage rate by 365.

Grace Period: Purchases, Balance Transfers, and Cash Advances will be charged to your Account as of the transaction date. If you pay the New Balance shown on your statement in full on or before the Payment Due Date shown on your statement, we will not impose interest charges on Purchases which accrue from the Statement Date to the date we receive your payment. We will not impose interest charges on new Purchases, or any portion of a new Purchase, paid by the Payment Due Date on your current statement, if you paid the entire New Balance on your previous statement by the Payment Due Date on that statement. However, interest charges will begin to accrue on Balance Transfers and Cash Advances as of the transaction date and will continue to accrue until Balance Transfers and Cash Advances are paid in full.

Closing Date: The closing date of your billing cycle is the Statement Date listed on the front page.

Payments: Payments may be made by mail, online at cabelasclubvisa.com, at a Cabela's U.S. store or by phone. Payments made by mail, phone or online will be credited as of the date of receipt if received by 5 p.m. CST. Payments made at stores will be credited as of the date of receipt if received by 5 p.m. local time of store location. Payments received after 5 p.m. CST (or 5 p.m. local time for payments at stores), will be credited the next day. Payments must be made in U.S. dollars. Payments sent through the mail must be mailed using the envelope and payment coupon enclosed with your statement. Do not send cash payments through the mail. If your payment does not meet the above instructions, crediting may be delayed and you may incur late fees and additional interest charges. We process most checks electronically. When you pay by check, you authorize us to process your payment as an electronic debit to the checking account on which the check was written. If we do, funds may be withdrawn from your checking account as soon as the same day we receive your check, and you will not receive the check back from your financial institution.

Notice of Information Sharing with Credit Bureaus: We may report information about your Account to credit bureaus. Late payments, missed payments, or other Defaults on your Account, as well as your Account balance, may be reflected in your credit report and the credit reports of joint cardholders, co-signers, and/or authorized users on the Account.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at Cabela's CLUB, P.O. Box 82608, Lincoln, NE 68501.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Cabela's CLUB, P.O. Box 82608, Lincoln, NE 68501.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Please note changes to your contact information below or call Customer Care at 1.888.402.7830.
