2. Name of District Grant: **Oceanside Youth Development Program**
3. Briefly describe the grant and list any changes that might have occurred (100 words or less): **Objective: To increase literacy and cultural development for children in grades K-12 in Oceanside's disadvantaged Crown Heights area by providing books, reading and school attendance incentives, mentorship, and leadership development. Budget: \$1000 for Laurel School library books and reading incentives. \$1000 for Mission Elementary Library Books. \$750 for educational trips for middle-schoolers. \$750 for high-school graduation incentives. \$1500 for laptop computers for disadvantaged kids.**
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: **To make a grant truly effective it needs to involve all of the club members – we have attempted to accomplish that with our educational trips for 4-6 middle school kids (in some cases more), each of which involves 2 or 3 Rotarians as chaperones/attendees. The kids really appreciate the trip and the opportunity, and the Rotarians really appreciate being involved.**
