Rotary Foundation District Grant Final Report

Deadline for submission: April 1, 2017

Must be filed electronically on: <http://www.matchinggrants.org/district/>

Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #): P-1413
2. Name of District Grant: Rotary Model United Nations Program
3. Briefly describe the grant and list any changes that might have occurred (100 words or less).

With the DDF monies, the Del Mar-Solana Beach Rotary Club provided the \$750 registration fee for the Honduras team to participate in our Rotary MUN Conference this year. With the DDF monies, the San Diego Downtown Breakfast Rotary Club provided the \$750 registration fee for one of the Mexican teams to participate in our Rotary Model UN Conference this year. With the remaining DDF monies, the La Jolla Golden Triangle Rotary Club provided the \$750 registration fee for the Peruvian team to participate in our Rotary Model UN Conference this year. To comply with the DDF grant requirements, each of our Rotary Clubs sponsored at least one (1) local high school team and paid their \$750 registration fee for those teams to participate in our Rotary Model UN Conference this year. In fact, each of our Rotary Clubs sponsored more than one (1) local MUN team and paid more than \$750 in MUN registration fees this year, far exceeding the DDF grant matching funds requirement. Please see the letters from each of our Rotary Clubs that are posted to the District Matching Grants site in conjunction with this Final Report that confirm these facts.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

The DDF grant allowed more international teams to participate in our 2017 Model UN Conference than ever before. Since these international teams also need to pay for their transportation costs to come to San Diego for the MUN Conference, many of them would not be able to afford the \$750 registration fee. In addition, we were very impressed with the performances of the Honduras, Mexico and Peruvian teams. The rest of the students really love meeting and making friends with students from other countries. The addition of the Honduras, Mexico and Peruvian teams this year has fueled enthusiasm among a growing number of US and Central American Rotarians to bring even more international teams to our 2018 Rotary Model UN Conference! We would greatly appreciate the opportunity to apply for another DDF grant for the 2017-18 year to help facilitate these additional international teams participating in our MUN next year.

5. How has your Club or community been impacted by this grant?
(Check all that apply)

Involvement of Rotarians in our Club in humanitarian grants has increased.
 Our Club's international Rotary networks have been strengthened.

- Annual giving to the Rotary Foundation in our Club has increased.
- Club membership has increased.
- Our Club's awareness of the needs in our community has increased.
- Participation in a District Grant has not changed our Club in any significant way
- Others: In light of the growing international presence of students from other countries attending our Model UN Conference, one of my club members committed to try to get a team from India to participate in our MUN next year!! In addition, I persuaded an ex-Rotarian from La Jolla to be a MUN advisor for one of our CCA MUN teams this year. I also spoke with many other business colleagues and community members whom I invited to attend/observe our MUN Conference about Rotary youth programs and potential membership in our club.

- 6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them.

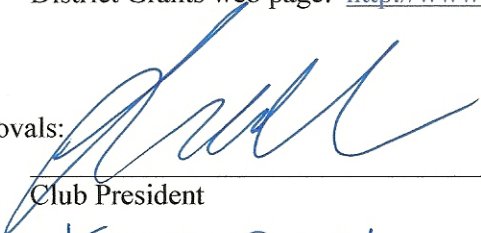

Everything was very smooth. Thank you very much!

Dear Marilyn and Marta,

This will confirm that the Del Mar-Solana Beach Rotary Club sponsored two (2) San Diego teams this year to the 2017 Rotary Model UN Conference that will take place on April 8-9, 2017, both from Canyon Crest Academy. We further confirm that we paid \$1500 in registration fees (\$750 per team) for these two teams to Rotary District 5340 earlier this year out of our Club's internal funds.

As part of the DDF grant, we were only required to pay \$750 for one team in order to receive the District's DDF matching funds of \$750 that we applied to pay the registration fee for the Model UN team from Honduras. As indicated above, we not only satisfied, but also exceeded our DDF matching requirement.

If you have any questions, please contact me.

Sincerely,

Liam Murphy,
