Rotary Club: RC Ft Worth International Project Number: P-1417

Project Title: Dictionaries for Third Graders

Final Report

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Club member distribute specially designed dictionaries to third grade students in four elementary school in less affluent neighborhoods in north Fort Worth. Schools included were: I.M Terrell, Eastern Hills, Briscoe and East Hadley Elementary Schools. In total, 1,392 students received dictionaries for their own.

2. How many Rotarians participated in the project? 10

What did they do? Please give at least two examples. While one member systematically taught the student about the contents of the dictionary and how to use it, the other member circulated amongst the students helping them find subjects and words selected to be looked up.

4. How many non-Rotarians benefited from this project? 1,392

5. What are the expected long-term community impacts of the project?

The students were able to put their name on their very own dictionary and learn how to look up subjects and words within the dictionary when writing papers for class and make reports with accurate spelling and meanings.

6. If a cooperating organization was involved, what was its role?

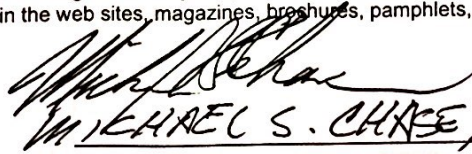

The Fort Worth ISD Administration supported and facilitated this effort.
