

District Grant Report

Rotary Club: The Rotary Club of Fullerton

Project Title: OC United Emancipated Youth Program

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? Our club partnered with OC United who obtained a home in Fullerton to assist Foster and adopted Children in becoming self-sufficient and transitioning as positive contributors to society. The program serves transitional age youth (ages 18-21) from foster care by providing wraparound, holistic support. The home is a key component in this, by providing housing, where other assistance in job training and placement, assistance with tutoring for GED or college prep, professional counseling, life-skills training and emotional care are provided.

The district grant was to acquire furnishings to outfit this home, move furnishings into place, and other assistance to get the home ready for these kids. Our grant request was to assist in sourcing, providing interior design ideas, acquiring and moving furniture and kitchen basic living needs items.

Most of the activities occurred between Nov-Dec of 2016. The home is located at 1501 West Flower Ave. in Fullerton.

2. How many Rotarians participated in the project? We had a total of 7 club members, from a combination of our club(s) Fullerton Rotary Main, Cal-State Rotaract, and RYPEN Satellite club.

3. What did they do? Please give at least two examples. We assisted in providing Interior Design recommendations from a professional designer in our club, helped source the furniture, painted the interior of the home, and assisted in moving some of the furniture.

4. How many non-Rotarians benefited from this project? Six youth initially and this will be rotating youth as the move on. Home has a capacity for 6 boys' rotating in and out 1-2 years.

5. What are the expected long-term community impacts of the project? Keeping former foster or adopted challenged young adults off the street and ending dependency on public support.

6. If a cooperating organization was involved, what was its role? OC United-Founding organization for this effort
