Rotary District 5340 District Grant Final Report for District Grant # P-1434

District Grant #; P-1434

District Grant Name; Support for Youth Services

Grant Description; This grant was used to fund Fall 2016, Winter and Spring 2017 Youth Service Activities for students affiliated with Torrey Pines High School and Cathedral Catholic High School. The funding provided by the Rotary Club of Del Mar for Youth Services activities during this period, met and exceeded the matching grant requirement/standard. The Rotary Club of Del Mar is providing examples of three such youth activities as proof that the grant requirements were met and to demonstrate the diversity of activities we support; First, TPHS Robotics Team, Second, Eagle Scout Project of Nicholas Moglia, and Third, District 5340 Model UN support.

Lessons learned in this grant implementation; first, we encouraged Ryla participant 2016 alumni, Nicole Martindale to run for the Presidency of the Torrey Pines High School Robotics Club 2016-2017, an endeavor in which she was successful and has the distinction of being the first female President in the TPHS Robotics Club history, a lesson of leadership in action. Second, we learned a successful outcome is a journey of planned steps, teamwork and action in the Eagle Scout project of Nicholas Moglia. Third, we learned conflict resolution, diplomatic negotiating, analytic thinking, and speaking skills in developing a balanced, objective, world perspective in support of District 5340 Model UN.

How has our Rotary Club or community been impacted by this grant? Our club's awareness of the needs in our community has increased and involvement of Rotarians in our club in Youth Services activities has increased (Interact Clubs, Model UN, RYLA etc.)
