Hi Larry,

We won the Battle at the Border competition in October and now we're getting ready for the FIRST Robotics Competition in January! My robotics team has received \$5,000 from Nordson, \$2,000 from Qualcomm and about \$1,000 from parents and members for the total of \$8,000. Our budget for this year is about \$10,000 which include the fee of \$5,000 to enter the FIRST Robotics Competition, \$3,500 for robot supplies and parts and \$1,500 for machines, team t-shirts, and travel costs.

We're looking for donations of an additional \$2000. Please let me know if the Del Mar Rotary Club can sponsor us. All donations go directly to the Torrey Pines High School Foundation for our Robotics Team. I can send you the details.

Thank you,
Nicole Martindale
