## Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

\$25,000 was raised by our Rotary Club and our Arlington Rotary Foundation. The Club committed \$2,500 to be matched by the District, and an additional \$5,000 was paid by our Foundation to provide the first installation payment of \$10,000. The remaining \$15,000 will be paid in two installments over the next two years.

2. How many Rotarians participated in the project? 130

3. What did they do? Please give at least two examples.

Our Rotarians have committed to supporting our Library and we hosted a program about the new Library's development to help educate our community. We also participated in the Library and City's social media campaign for development updates.

4. How many non-Rotarians benefited from this project? 350,000

5. What are the expected long-term community impacts of the project?

The new Library is going to be a center for collaboration, learning, and growth for the Arlington community. By being a part of this project, our Rotary Club has the chance to get the Rotary name out to our community and also provide a safe learning environment for the youth of our city.
