In Partnership with Sahaya International

- Sahaya International, Inc. is a 501(c)3 non-profit organization, based in Davis, California. In November 1999, we obtained federal approval and official 501(c)3 non-profit organization
- We consist of a diverse network of friends, who are committed to make a difference towards improving the quality of life in developing countries.
- **100% run by unpaid volunteers.** Not a single penny is spent on salaries. We want to make sure that the maximum amount of your donation can go overseas to directly help the people who are in need.
- Through our volunteer efforts, we provide much needed assistance to social development projects in developing countries.
