## **Rotary Foundation District Grant Final Report**

Must be filed electronically on: <a href="http://www.matchinggrants.org/district/">http://www.matchinggrants.org/district/</a>

Grant Information (to be completed by District Grant contact)

- 1. District Grant # (check website for #) P-14736
- 2. Name of District Grant Tijuana, Mexico Library
- 3. Briefly describe the grant and list any changes that might have occurred (100 words or less.

The Rotary Club of Chula Vista's International Projects Committee provides books and educational resources for a library serving a disproportionate share of underprivileged children in Tijuana, Mexico. The Club provides at least 100 children's books to children in the equivalent of grades K-3, attending schools serving low-income students. This program has been very well-received by Rotarians in Tijuana and by Tijuana community leaders.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

This year there are lessons learned that will carry us through with other international funding/grant opportunities. The biggest obstacle is coordinating what books and when to deliver them to Tijuana. There are a few international/border rules and regulations to follow in delivering the books and the coordination of all of this can take more time than we originally expected. In the future, we will account for more time for coordination so we can submit the grant documents and final report in a timely manner.

- 5. How has your Club or community been impacted by this grant? (Check all that apply)
- X Involvement of Rotarians in our Club in humanitarian grants has increased.
- X Our Club's international Rotary networks have been strengthened.

Annual giving to the Rotary Foundation in our Club has increased.

- X Club membership has increased.
- X Our Club's awareness of the needs in our community has increased.
  - Participation in a District Grant has not changed our Club in any significant way
- X Others: Increased relationship with other Rotary Clubs in Mexico.
  - 6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them.

Overall, the process is very well done and simple to follow. We like that multiple people in the club can have access to the online grant and it is easy to add photos and other supporting documents.
