

Matching Grant P-1510
Rotary Club of Fort Collins Breakfast
Buddy Bench Project

Project P-1510 has been successfully completed. Twenty-one Buddy benches were purchased, engraved with Rotary identification, and installed in 21 elementary schools in the Poudre School District.

The Buddy benches were placed to offer a safe place for elementary children to sit who were feeling lonely or left out of school activities. The benches have been well received by the schools and the children

Total cost of project: \$10,000

Supporting files:

BuddyBenchMaterial – the cost of 21 benches along with the installation of the name Buddy Bench. \$7451.40

BuddyBench Centennial – the cost of the plaques, engraving, and labor done through the alternative high school in Poudre District, Centennial High. \$2548.60

The Poudre School District installed 20 of the 21 benches. Members from the Fort Collins Breakfast Club installed one bench.

Respectfully,

Philip Murphy
