District Grant # 1522 Progress Report Final Report

Rotary Club: Craig

Project Title: Rural Philanthropy Days

Project Description:

1. Briefly describe the project. What was or will be done and where did or will the project activities take place? Explain how the beneficiaries and other community members were or will be involved?

Rural Philanthropy days is a program organized by the state of Colorado that matches grant funders with rural non - profit groups. This event brought over 400 people to Craig many of whom for the first time. The grant was used to purchase all the supplies needed for registration and all the materials that were given to participants when they checked in. Rotary members maned the check in area and helped with set up and tear down for the event.

2. How many Rotarians participated in this project? (estimate if progress report) 8

3. What did or will they do? Please give at least two examples. Two Rotarians manned the check in desk all day the first day of the conference and the morning of the second day. They greeted participants, answered questions, handed out materials and checked off their names in the computer.

We had members setting up chairs and tables before the sessions at various venues and putting them away after the sessions.

4. How many non-Rotarians benefited from this project? (estimate if progress report)
 ___potentially thousands ___

5. Who are the beneficiaries and what is or will be the expected long-term community impact of this project? The non -profit organizations and the people they serve. There were over 40 funders meeting with the representatives of non- profits to consider grant awards of \$1,000 - \$100,000.

6. If a cooperating organization was involved, what was their role? The Craig Chamber and the Craig Economic Development Partnership submitted the bid to host the event and organized the event.

10. What worked well on this project and why?

It was a great way to promote Craig and what we have to offer. It also helped tremendously in getting grant money into the NW Colorado region.

11. What did not work well and how would you suggest improving it?

They did not need as many volunteers as they thought so there was a lot of sitting around doing nothing time.

12. How was this project publicized?

13. (Progress report only) What still remains to be completed on this project?
