District Grant # P-1526 Progress Report Final Report

Rotary Club: Morrill Nebraska

Project Title: Centennial Grant

Project Description:

1. Briefly describe the project. What was or will be done and where did or will the project activities take place? Explain how the beneficiaries and other community members were or will be involved?

This project will be consist of the purchasing of large group projection equipment to facilitate community events.

The Morrill Schools, Morrill Public Library, The Morrill Economic Development Group, the American Legion, The Rotary Club of Morrill, and other Morrill Groups from time to time have need of a large screen for indoor and outdoor use and a EW Projector with enough lumens to have a vivid projection.

This project includes purchasing a large screen and wide angle projector. The package allows us to loan it to community groups desiring to have large events at the legion, in the gyms at the schools, in churches or even movie nights at the park. The screen has a 200" diagonal, which is 14.5' wide and 8' high. The portable 2000 Watt system is complete with microphone, bluetooth capacity, two speakers and stands.

Our intent is to enhance the impact of every community organization. When people come to Morrill we desire for them to sense energy and excitement.
